

University of Illinois College of Medicine at Urbana-Champaign

Stanford Clinical Teaching Program for Physician Educators

Presented by:

Jennie Hsu-Lumetta, M.D.
Faculty Development Director
Clinical Assistant Professor
UICOM-UC, Department of Medicine

Category 1 CME credit

- Who:** Clinical faculty interested in improving their clinical teaching skills
- When:** Wednesdays, September 3 – October 8, 2008 from 5:30 – 7:30 pm for eight 2-hour sessions
- Where:** Carle Forum, 611 West Park Street, Urbana, IL
- Purpose:** To provide clinical faculty with training and information to enhance versatility as clinical teachers, improve ability to analyze clinical teaching using an educational framework, and to provide a forum for collegial exchange on clinical teaching issues.

Learning Objectives:

1. Identify the elements of the Stanford Clinical Teaching educational framework.
2. Analyze clinical teaching encounters using the educational framework.
3. Integrate the educational framework in improving clinical teaching encounters.
