

## Academic Activities:

| A. Aspects of General Scholarship                      | A. <i>General Scholarship Demonstrated By: . . .</i>                          |
|--|---|
| Principal Investigator on grant                        | <i>Acceptance letter</i>  |
| Faculty Publications—Clinical                          | <i>Conference Flier<br/>Evaluation summaries<br/>Abstract</i>                 |
| Faculty Publications—Educational Process               | <i>Conference Flier<br/>Evaluation summaries<br/>Abstract</i>                 |
| Faculty Presentations--Clinical                        | <i>Conference Flier<br/>Evaluation summaries<br/>Abstract</i>                 |
| Faculty Presentations—Process                          | <i>Conference Flier<br/>Evaluation summaries<br/>Abstract</i>                 |
| Appointment to Editorial Board                         | <i>Link to Appointment Letter</i>   |
| External Research Seminars                             | <i>Conference Flier<br/>Evaluation summaries</i>                              |
| Service on national scientific advisory boards         | <i>Letter of invitation</i>   |
| Election to office in national scientific organization | <i>Letter of invitation</i>   |
| Faculty Development—Attendance                         | <i>List of FD workshops attended<br/>CME transcript</i>                       |
| Faculty Development—Programs (planning/implementation) | <i>List of workshops developed<br/>Participant evaluations</i>                |
| Educational Administration                             | <i>Committee membership<br/>Program administration (department, unit)</i>     |
| Board Certification/Recertification                    | <i>Documentation of certification, recertification or special recognition</i> |
| Community Service                                      | <i>Documentation of community service</i>                                     |

| <b>B. Aspects of Teaching Ability</b>   | <b>B. Teaching Ability Demonstrated By:</b>  |
|---|--|
| Classroom Activities  | <i>Learner evaluation summaries<br/>Peer assessments<br/>Development of materials<br/>Transcript</i>                         |
| Development of teaching modules   | <i>List of modules/urls<br/>Syllabi<br/>Course evaluation formats<br/>Citations for work product</i>                         |
| Revision of course  | <i>List of modules/urls<br/>Syllabi<br/>Course evaluation formats<br/>Citations for work product</i>                         |
| Expertise with different modalities (lectures, small groups, skills labs, advisor role, research role, assistance with presentations) | <i>Learner evaluations<br/>Teaching awards<br/>Peer assessments</i>  |
| Teaching Excellence   | <i>Evaluation Report (including: learner evaluations, peer assessments, self-assessment)<br/>Teaching Awards/Recognition</i> |
| <b>C. Clinical Teaching Activities</b>  | <b>Clinical Teaching Activities Documented By:</b>   |
| Teaching Attending Rounds   | <i>List of assignments<br/>Evaluation summaries<br/>Teaching awards<br/>Peer assessments</i>                                 |
| Morning Report Rounds   |  |
| Inpatient teaching round  |  |
| Inpatient consultation rounds   |  |
| Teaching in surgery/special procedures  |  |
| Precepting student/resident teams   |  |
| Ambulatory care preceptor   |  |
| <b>D. Research/Scholarly Activity with Students/Residents</b>   | <b>Research/Scholarly Activity with Students/Residents Documented By:</b>  |
| Secure Grant Funding  | <i>Cover letter</i>  |
| Serve as PI of research project   | <i>List of projects<br/>IRB acceptance letters</i>   |
| Mentor residents/students in research   | <i>List of students/residents on projects</i>  |
| Student/resident publications   | <i>List of student/resident publications/presentations</i>   |
| Student/resident presentations  |  |
