RE: Scholarship Opportunity for Second – Fourth Year Medical Students Assigned to Urbana for AY 2015-2016

Dr. David Morse and Mrs. Nancy Morse have generously endowed a scholarship fund to benefit students on the Urbana campus of the College of Medicine. Dr. Morse served many years as a faculty member in the Department of Internal Medicine, including significant time as clerkship director for the Internal Medicine I core clerkship at Carle. He was a beloved teacher and role model for our students.

All medical students who are assigned to the clinical years of the Urbana campus of the University of Illinois College Of Medicine during AY 2014-15 are eligible to be considered for a scholarship opportunity. Medical Scholars Program Students may apply, but are eligible for the scholarship only in years in which they are doing academic or clinical work in the College of Medicine. These scholarships are awarded on an annual basis. Awardees are eligible to apply for continued funding in subsequent years. Awards very depending on endowment income and number of awardees.

The selection committee will use the following selection criteria when selecting awardees:

1. Financial Need
2. Academic Merit
3. Extracurricular Activities during medical school
4. Level of professionalism
5. Life Experiences
6. Answer to essay question

If you believe you are eligible for this award and would like to apply, please fill out the attached application form, answer the essay question on a separate sheet of paper, and drop off your application materials with a copy of your CV/Resume to the Office of Student Affairs in Room 125 MSB. The deadline for submission of the application is Friday, May 29, 2015.
