Colleagues,

This is a unique medical conference.

Our own graduates are returning to serve as our faculty and to share their personal experiences. How wonderful to be taught again by our students!

The subject matter is diverse. You are welcome to come and go for topics of interest. We have built time into the schedule to encourage this.

Please join us for lunch to renew old acquaintances and make new friends and/or join us anytime in the afternoon.

Pre-registration is required for this event, though there is no charge. For lunch and conference registration, as well as information on the College of Medicine’s 35th Anniversary celebration, please go to the conference website at: http://www.conferences.uiuc.edu/medicine/

We look forward to seeing you there!
