

If you witness a crime:

- If you witness a crime or become the victim of a crime, call 911 (9-911 from a campus phone) to report the incident to the police.
- If you observe a perpetrator commit a crime, do not block their avenue of escape. Instead, get a good description of the perpetrator, note their direction of travel, and obtain vehicle information if pertinent.
- Do not follow the perpetrator. Let the perpetrator leave the scene. If followed, the perpetrator may panic and cause you harm.

Personal safety tips:

- Do not let people into a locked building or office unless you work with them or they have been properly identified. If the person gives you any problems, call the police.
- In the event that a suspicious person is seen roaming around, or suspicious calls are received, contact the police department immediately.
- Always keep the door to your room locked when you are working alone.
- Don't investigate a suspicious person or noise outside by yourself.
- Keep a list of emergency numbers with you.
- Never walk alone at night. Walk in an alert and confident manner, and actively pay attention to your surroundings.
- Choose the best lit, most traveled paths when walking.
- Take a self-defense course.
