**Statement on Use of Clickers**

Students must use only their registered clicker during course activities. For example, students utilizing another’s clicker or allowing another student to utilize their clicker to:

- Falsify attendance
- Answer for another student’s TBL questions
- Answer for another student’s quiz questions in class

Or any other use is unethical and is a violation of the “Statement on Professional Behavior” of the College Committee on Student Promotions and the “Guidelines Regarding Academic Integrity” of the UIC Student Disciplinary Code.

Students engaged in this behavior will receive no points for the activity, may fail the course, or may be dismissed from the University subject to the codes detailed in the “Statement on Professional Behavior” and the “Guidelines Regarding Academic Integrity”.
